## TUITION

Tuition may be paid in a lump sum prior to the beginning of the school term, or it may be paid in twelve (12) monthly installments. The last (12<sup>th</sup>) monthly installment may be paid in advance with the first payment. Less than monthly prorated refunds are not possible.

All payments are due by the first (1<sup>st</sup>) calendar day of the month. Late payments that fail to reach the school within five (5) calendar days after the due date will incur a late charge of \$25.00. Checks returned by the bank will be charged the \$35.00 bank service fee. Checks returned by the bank two times will require payment in cash or money order.

Bills are not sent by the school. The full amount of tuition must be paid by the due date to assure your child's continued enrollment. Non-payment may result in the child being disenrolled from school. In such event, the school reserves the right to accept other applicants to fill that place. Once a child is disenrolled for non-payment or otherwise, in order to readmit the child, it will be necessary to re-apply to the school. Acceptance and re-admission will, besides other factors, depend on availability of space.
